Dear Ms. SOUN Marian

My name is EITH SENGHIM. Right now I am a student at PNC. I am studying on Networking System. I am interested at the position of Software Networking. It is related of the skills these I had studied at school. I think you can choose for your new staff of this position.

I was studying at Hun Sen KhlaKoun high school in Banteay Meanchey province. After graduation high school I got a scholarship from PNC and I learned at there for two years. There are two subjects of IT (Networking System and Web-programing) and I chose one of subjects to Networking System for my best skill. PNC had provided me to learn a lot of subjects there are Microsoft Office, Computer Architectures, Operating System, Maintenance, Introduction to Network, Internet.

After reviewing my resume, I hope you will agree that I am the type of positive and driven candidate that you are looking for. I am excited to elaborate on how my specific skills and abilities will benefit your company. Please contact me via phone or Email above to arrange for a convenient meeting time.

Finally, I thank for your consideration and I hope you are chance to me for working in your company. Last one I look forward to hearing from you soon. Thanks Ms. SOUN marina

Respectfully yours.

EITH SENGHIM
